

## NOTICE

The Women's Health and Cancer Rights Act of 1998 requires this notice. This Act is effective for plan year anniversaries on or after October 21, 1998. This benefit may already be included as part of your coverage.

In the case of a covered person receiving benefits under their plan in connection with a mastectomy and who elects breast reconstruction, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

1. Reconstruction of the breast on which the mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
3. Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

Deductibles, Co-Share and copayment amounts will be the same as those applied to other similarly covered medical services, such as surgery and prostheses.
