Earn rewards when you save on healthcare

What is CareSearch Reward\$?

The program rewards you for searching the Health cost estimator tool on **umr.com** and utilizing “2 blue hearts” Premium Care Physicians and/or “Green” cost-effective facilities when you seek care. Most important, you will lower the cost of the claim and will be rewarded for those savings. This program is designed to encourage positive health care behavior by rewarding participants when they make a cost-effective, high-quality provider choice before seeking care.

Phase 1:

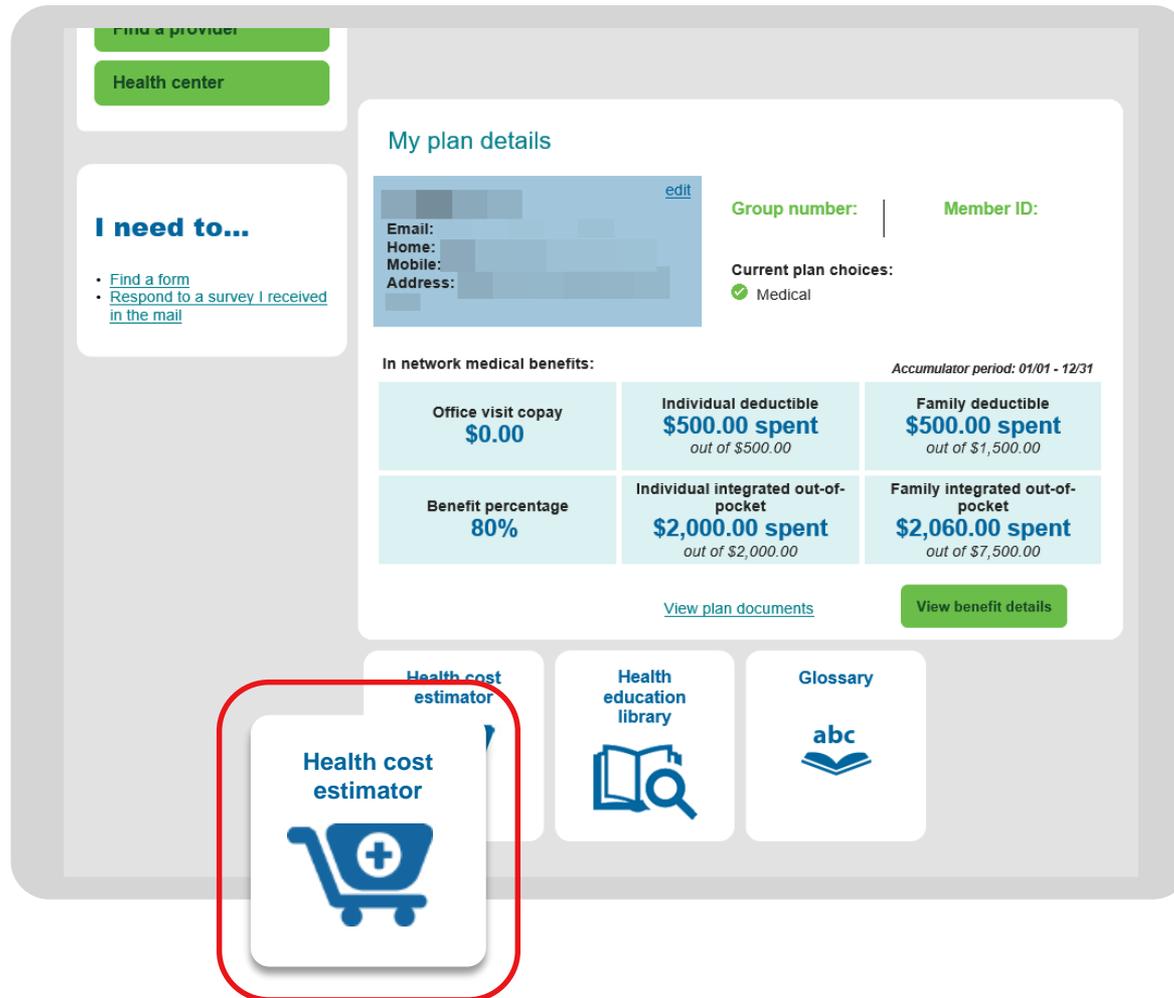

- Visit **umr.com**. **Log in** with the username and password of the individual who will be receiving the service and treatment. If the individual is not a registered user, click **Register**.

Phase 2:

- Click on the **Health cost estimator** tile to access the tool.

Phase 3:

- Click on **Learn more** for details on the CareSearch Reward\$ program.
 - Program dates
 - Qualifying procedures
 - Reward type
 - Reward amount
- Click on the **Estimate your care** button to begin your provider search.

Health cost estimator

Your health care is an important investment.

And like anything else you spend your money on, it pays to be prepared. Click the **Estimate your care** button below to research service and treatment costs at different facilities and with different providers. You'll also see which providers meet criteria for providing quality care.

Here's how to start:

- 1. Search for care**
Search by specific service, treatment, condition and more
- 2. Compare your choices**
View estimates from providers, including your out-of-pocket costs and what your plan will pay
- 3. Make informed decisions**
Explore additional information, such as care paths for treatments and related costs

Estimate your care

New window When you click "Estimate your care", a new window will display above this window. When you want to return to umr.com, just close the cost estimator window.

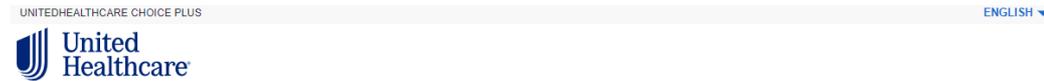

Phase 4:

Confirm your location, then scroll to the "Find Care by Category" section.

Select the "Cost Estimates" button from the "Find Care by Category" section.

Select the "All" button from the "What would you like a cost estimate for?" section.

Phase 4 continued:

In the **search box**, type in the service or treatment you would like the cost estimate for.

From the listed results, scroll down and select the type of service needed. For example: Colonoscopy - Preventive Screening.

Your service dashboard will appear. You can review your estimated costs for this service.

The pre-selected facility will populate.

The screenshot shows the UnitedHealthcare website interface. At the top, it says "UNITEDHEALTHCARE CHOICE PLUS" and "United Healthcare". A search bar contains the text "Colonoscopy". Below the search bar, it says "14 Results for Colonoscopy" and "VIEW ALL SERVICES". Two results are listed: "Colonoscopy - Diagnostic" and "Colonoscopy - Diagnostic - With Biopsy". A COVID-19 warning banner is present. The selected result is "Colonoscopy - Preventive Screening" with a cost range of "\$3,530 - \$4,981".
